

Conceptronic CUSTODIO03BSM Keyed Chassis Lock, Standard Security Slot, Master Keyed Compatible

Model: CUSTODIO03BSM

Manufacturer: CONCEPTRONIC

EAN: 4015867244616

Product Code: 1468079

R927

The Keyed Chassis Lock is designed to provide reliable physical security for desktop PCs and devices. It installs directly onto the chassis, offering a simple and effective solution to prevent unauthorized access to internal components and deter theft in office, education, and shared environments.

Featuring a robust keyed locking mechanism, the lock ensures secure attachment while remaining easy to operate. It comes with two keys for convenient access and backup use. For organizations requiring centralized control, the lock is also compatible with master key systems, allowing IT administrators to manage multiple locks efficiently.
