R798

- Special cleaning wipes for TFT/LCD screens (eg. laptops and flat screens), PDA, mobile phones, game console, screen-free filters and all treated and untreated glass surfaces eg. mirrors, microfilm reading screens, OHP screens and lenses.
- Before application, please refer to the manufacturer’s cleaning instructions.
- Application: Before cleaning switch the LCD off and wait for it to cool.
- Wipe over the area to be cleaned and then polish with a dry cloth.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

- The liquid is not flammable and is completely free of Butylglycol and Methanol.
- Biodegradable. Keep out of reach of children.
