

Bosch SDS plus Spade Chisels

Model: 2608690146

Manufacturer: BOSCH

EAN: 3165140506496

Product Code: 1469166

R1,122

The SDS plus Spade Chisel offers standard chiselling for various renovation and restoration jobs. A wide cutting edge offers a higher rate of material removal in masonry and mortar. The chisel is intended for use in brick and concrete for tasks including removing roughcasting, layers of dirt, concrete residue from foamwork boards, plaster from walls and for performing breakthroughs in masonry. It is compatible with an SDS-plus chisel attachment or it can be used directly in SDS plus hammers with a rotation stop.
