R1,059

The USB Type A to Lightning cable is designed to connect Apple devices like iPhones, iPads and iPods to your computer or charger. This reversible cable allows charging and data sync as well as featuring MFi certification for maximum compatibility.

MFi Certified

This product has been certified under the Apple MFi programme. Made for iPhone/iPad/iPod logos communicate to customers that an electronic accessory has been designed to connect specifically to iPhone, iPad or iPod, and has been certified by the developer to meet Apple performance standards.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
