R1,034

For every task and every kitchen

With its flat, round surface that leaves no residue behind, the WMF Profi Plus Potato Masher simplifies kitchen time. Boiled potatoes are mashed with ease for delicious purées or tasty dumplings, while cooked vegetables, apples and berries are smashed for fresh, healthy meals for young children. Crafted from stunning Cromargan®, this exceptionally durable masher features a practical eyelet for hanging, as well as a dishwasher-safe design for easy cleaning and perfect hygiene. The stunning yet practical Profi Plus series of kitchen tools does it all. From stylish service utensils to handy preparation tools, even the trickiest tasks become effortless. Blending premium-quality, watertight materials with a timeless aesthetic and long-lasting construction, Profi Plus is the perfect culinary range.

Versatile use

Effortlessly mash boiled potatoes and other cooked fruits and vegetables—such as celery, carrots and apples—for delicious purées. Its flat, round surface means no residue is left behind on the masher.

High-quality Cromargan®

Crafted from sleek Cromargan®: stainless steel 18/10, for exceptional durability with an exquisite mix of polished and matte finishes that never fail to impress.

Handy eyelet

A practical eyelet on the handle allows for space-saving storage on a hook.

Dishwasher-safe

Clean-up is effortless thanks to a dishwasher-safe, watertight design—for perfect hygiene every time.

Made to last

The eyelet hook and front part are both cemented into the handle, for robust use and long-wearing resilience that maintains its shape.

Timeless design

The timeless, sophisticated aesthetic brings a refined touch to any kitchen.
