R960

With USB ports in almost every computer and popping up in cars, DVD and multimedia players, TV's, photo frames and more, USB drives are now being considered an essential accessory.

The PinStripe USB Drive from Verbatim has a push and pull sliding feature which protects the USB-A connector when it is not in use without the need for a separate cap which is easily lost.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
