Product Code: 1471934

R1,123

Tough and Sophisticated

The sleek all-metal MyAlu USB Flash Drive from MyMedia is the ideal companion to store and move files. The sophisticated metal design combines durability and practicality to provide an elegant way to help keep your most important files safe and close by.

Operating at USB SuperSpeed 5Gbps (USB 3.2 Gen 1), MyAlu delivers fast transfer speeds of up to 80MB/s and write speeds of up to 5X faster than standard USB 2.0 drives.
