Stable and Secure Connection

With built-in protection for over-voltage and over-current, this USB 3.0 hub can keep your digital devices and data safe.

LED Indicators

Through the LED indicator, you can easily monitor the connection status

Notes

- * When you connect iPad or other tablets require higher power input, this USB 3.0 hub will sync but not charge. (Standard USB 3.0 interface on Laptop can offer 900mA power input).
- * 2.4 GHz wireless devices, MIDI devices and some USB 3.0 devices may not be supported. Try using the host port or a USB 2.0 connection.
- * For a stable connection, please plug extra power adapter (not included) for power for high power-consumption devices, DC-Jack size: 3.5x1.35mm

1m USB 3.0 Cable flexible

You can extend the hard-to-reach USB ports on your desktop to your desired location, which makes it a nice choice for desktop

Handy and Compact

The handy and compact design offers an ideal way to fast access to your USB devices anywhere
