

Techly ICA-LCD VESA-M100 68.6 cm (27") Pole Black

Model: ICA-LCD-VESA-M100

Manufacturer: TECHLY

EAN: 8059018364316

Product Code: 1473008

R1,084

ICA-LCD VESA-M100 represents the ideal solution for mounting non-VESA TVs and monitors, adapting them to existing supports; compatible with VESA 75x75 and 100x100 mm connection; easily adapts to various screen sizes

The mounting set supports displays from 13" to 27" weighing 8 kg or less, screen thickness from 1" (2.54cm) to 2.75" (6.98cm), frame height from 10.5" (26.67cm) to 16.25" (41.27cm)

High quality construction to securely fix the monitor: made of cold rolled steel with padded clamps to securely lock the screen without damaging the outer frame; the support supports of the screen can be easily directed

Mounting adapter with an elegant low profile matte black finish, ideal for attaching LED, LCD, OLED / QLED TVs. Not suitable for curved TVs

Dimensions of the individual brackets: 203 x 38 mm; Verify that the monitor's power and video ports are not blocked by the bracket
