Quick juicing. Direct serving. For your daily XL glass of vitamins.

With its elegant, brushed stainless steel housing and premium design, the CitrusQuick 5 makes an eye-catching addition to any kitchen. Designed to let you easily juice larger quantities, the high spout fits tall glasses up to 14 cm. And when you're finished juicing, simply tip the anti-drip spout upwards to avoid juice from dripping onto the kitchen counter. Thanks to the universal presscone, you get the most juice possible out of both small and large citrus fruits – without having to switch cones.

XL fit design

The high spout is designed to conveniently fit tall glasses up to 14 cm and allows juicing bigger quantities at a time.
