Articulating TV Wall Bracket – fully adjustable mounting bracket to fit almost any space

This strong, full-motion TV Wall Mount Bracket from Manhattan safely holds your TV on two articulating arms and provides optimized views with +3 to -15° tilt and +/-60° swivel adjustment. It fits flat and curved LCD, OLED or plasma TVs up to 70"" and weighing up to 40 kg (88 lbs.) with VESA compliance up to 400x400. You're all set for a confident above-the-floor installation with an included bubble level and +/-3° post-leveling adjustment that helps get the mount perfectly horizontal on the wall. This mount is ideal for residential, office, hospitality, classrooms, conference rooms, digital signage and other commercial applications. Wherever you install it, the universal Manhattan Full-Motion TV Wall Mount puts the best TV viewing experience front and center.
