Optimum kink protection

Flexible materials guarantee optimum kink protection and prevent cable breakage.

Excellent transmission quality

High-quality materials and workmanship guarantee excellent transmission quality.

- For connecting a PC, notebook, MacBook, charger with camera, dashcam, action cam or drone in order to transfer digital data, signals and power;
- Twisted data pairs with an outer sheath made from robust PVC material minimise interference;
- Internal wires made from copper for rapid data transfer and the best supply of power;
- Ideal for charging, transferring data and synchronising;
- also as a replacement for the original cable if it is too short, long or faulty.
