

Lindy 35m Hybrid USB 3.2 Gen 2 Type A Cable

Model: 43357

Manufacturer: LINDY

EAN: 4002888433570

Product Code: 1473930

R5,469

The Lindy Hybrid USB 3.2 Cable extends a USB port by 35m, far longer than is possible with standard or active copper cables, whilst retaining SuperSpeed transfer rates of up to 10Gbps (backwards compatible with USB 2.0 devices). A lighter and more flexible construction makes this cable simple to install with cable trays and through conduits, whilst low RFI/EMI ensures that the cable can be installed in the most sensitive of environments.

This Hybrid Cable supports a variety of USB devices like storage media or webcams. It is fully compatible with, and can be used to extend signals from, 4K USB 3.2/3.1 webcams and video conferencing systems.

The screw-locking design of the USB Type A socket ensures a secure connection of the device. For added convenience the Hybrid cable is bus-powered and features a USB Type A power cable, which can be attached to an external USB Power Supply (not included) should additional power be
