

ICY BOX IB-HUB1436-CPD Wired USB 3.2 Gen 2 (3.1 Gen 2) Type-A Black

Model: IB-HUB1436-CPD

Manufacturer: ICY BOX

EAN: 4250078174110

Product Code: 1474149

R1,274

Elegant design

The IB-HUB1436-CPD offers not only functionality but also a stylish design. The high-quality aluminium housing with a matt finish is a real eye-catcher. Robust, durable and reliable, it does its job in the modern office.

Integrated cable

Thanks to the integrated 30 cm cable, the hub can be connected immediately. No searching for the right connection, no forgetting the necessary cable. A practical feature is the simultaneous charging option for a connected notebook via the Type-C® interface with up to 100 watts via Power Delivery.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

50:50

The golden mean of the interface selection with two USB Type-C® and two USB Type-A connections makes this hub so versatile in everyday use with different end devices that have either the tried-and-tested A connection or the modern C connection. This makes it ideal for the office and living room.
