## **R1,344**

---

Protect your electronic device in public places such as in the office, at school or while travelling. The security lock keeps your device, personal information and data safe from theft. It is easy to install and you can anchor your device securely to your desk, table or any other fixed object. The security locks comply with existing key slot technologies and methods and work with all tablets, notebooks, desktops, monitors, docking stations or other compatible devices with Nano Slot.
