Our case-friendly 9H tempered glass provides superior protection against scratches, chips, and cracks. The Titan Shield® features an anti-shatter film that keeps small glass pieces contained if it breaks. With real glass properties, it ensures no change in color or touch sensitivity when applied.

Protection features:

The Titan Shield® is engineered to break under excessive force, absorbing most of the impact and will in most cases protect your device's display from damage.

Included in the package:

50 pcs full cover glass screen protectors

50 pcs cleaning kits
