3 active noise cancelling modes

Indoors, outdoors or on public transport: the active noise cancelling headphones with their in-ear design passively and actively in 3 stages screen out noise - with Commuting, Indoor and Outdoor ANC

Quick charge function

Extremely fast charging: thanks to Fast Charge, the Bluetooth earbuds are charged at high speed - just 10 minutes of fast charging are enough for a play time of 1.5 hours

Environmental Noise Cancelling (ENC)

Improved voice quality when making calls: the Bluetooth headset with ENC noise cancellation filters out disturbing ambient noise directly at the microphone - so your voice comes through crystal clear

Touch control

Touch control: the touch sensor allows intuitive operation without having to take your mobile phone out of your pocket, e.g. music playback (Play/Pause), take/make/reject calls / last number redial

Perfect fit, great look

The perfect fit for your ear: the Bluetooth headphones with their in-ear design and silicone ear tip fit securely and comfortably in any ear

Personalise your settings

The personal touch: custom-control the headphones in the "Hama Smart Home" app and switch even more quickly between modes

2 transparency modes

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

When listening to music, don't miss the important announcements: if necessary, listen to ambient sounds at reduced volume, while vocal transparency mode only allows voices through, e.g. announcements on the train

9 equaliser modes

Bass at the press of a button and so much more: the wireless headphones with no fewer than 9 equaliser modes create the perfect audioscape for your favourite sounds

True Wireless stereo

Intensive music enjoyment thanks to True Wireless Stereo (TWS): the headphones produce an authentic sound experience - for a live concert feeling at the press of a button whenever and wherever you want

True Wireless headphones

Reduced to the only thing that matters: comfortable in-ear headphones without tangling cables for even more freedom

Automatic switch-on & pairing

Great music straight away: when the charging box is opened, both earphones activate automatically and connect to each other and the mobile phone

Direct access to Siri and Google Assistant

Supports the voice assistants Siri and Google Assistant: Bluetooth pairing and touch control allow direct access - without having to hold the smartphone
