Slimfit for heavy-duty protection without the bulk!

Introducing our thinnest case ever: SL1M. The new super-slim CARE™ by PanzerGlass® case for Samsung phones is a mere 1 millimeter thick – that’s it! And yet, it’s still Qi compatible and features enhanced camera protection. Made of 100% recycled plastic, this case is treated with our unique Nanotech-enabled smart coating that’s sweat and make-up resistant. It also comes with our 1 year anti-yellowing guarantee. So say good-bye to bulky covers that yellow with time and say hello to slim-fitting, heavy-duty protection that keeps your lifeline to the world safe from drops, shocks, and scratches without hiding your phone’s beautiful, sleek design behind a clunky case.
