Tired of broken screen protectors and want to keep your screen content private? Eco-shield Privacy is an unbreakable screen protector with privacy filter and made from recycled materials (rPET) & is 100% recyclable without compromising protection and quality. The easy application screen protector reacts like your phone's own screen, fits perfectly on your device and shields the content of your screen from everyone except you. Incredibly slim at just 0.4mm, you'll hardly notice the ultra-tough layer of protection. Combine it with a recycled phone case for 360-degree sustainable protection.
