Searching is yesterday, finding is now: The Key Finder helps you keep track of devices and items and, in combination with the "Find My Device" app or the "Where is" app, find them again at any time

Finding with the global network

It's all in the crowd: add Key Finder to the "Find My Device" or "Find My" app and find things again using millions of Android or Apple devices from the respective network

Audio signal for searching

Track it down: Track down the missing object with the help of the loud audio signal (up to 78 dB)
