Whether you want to bind editable reports quickly and easily at your desk or produce permanently bound legal contracts, there are 3 different forms of GBC StripBind™ to meet all your binding needs. With the GBC StripBind™ system, both personal users and office professionals can achieve a book-like finish in seconds and produce stylish documents that stand out from the crowd. Choose from: VeloBind® 4-prong (ideal for... personal or desktop use as it can be opened and closed easily for editing purposes), Surebind™ 10-prong or VeloBind® 12-prong featuring sturdy spine pins that weld permanently to keep confidential reports and classified documents tamper-proof and secure. Spines come in a variety of sizes (capable of binding up to 750 pages) and in a choice of colours so you can customise your documents to suit the content, your audience and your company image.
