Bosch Template Guides

Model: 2609200142

Manufacturer: BOSCH

EAN: 3165140062879

Product Code: 1477932

R1,291

Template Guide for routers runs along templates transferring shapes onto the workpiece

- Distance between guide and router bit must be taken into consideration when making template for use with template guide
- Distance is calculated with formula: diameter of template guide (K) – diameter of router bit (F))/2
