Be creative! With the versatile multipress from the WMF Profi Plus series, you'll rustle up spaetzle, gnocchi and many other delicious dishes made from fresh dough or potatoes. Simply place the dough into the removable plastic container so that it is half full and then press together the handles of the multipress. To reduce the amount of effort required, the multipress has extremely long handles to give maximum leverage. Both the removable plastic container and the press, which is made of Cromargan® stainless steel, are hygienic, extremely stable and can be cleaned in the dishwasher.

The Profi Plus series is a range of matching, practical kitchen utensils for every activity and type of preparation. Serve in style with a sauce ladle, ice cream scoop, kitchen scoop and a mesh strainer. Flip over roast potatoes, steaks, breaded fish or caramelised fruit with a choice of attractively designed, polished stainless steel turners with non-stick plastic to protect your pans. Even tricky tasks such as coring apples, scooping tasty fruit balls or descaling fresh fish suddenly become effortless with the Profi Plus range. Get stirring, peeling, flipping, slicing and mashing! All Profi Plus kitchen utensils are premium quality, watertight, dishwasher-safe and exceptionally durable, even when used continuously. Each utensil has a small stainless steel hanging loop so that it can be hung on a kitchen rack when it's not being used – keeping it neatly to hand for when it's needed.
