critical electronics during power disruptions. The UPS comes with IEC 320 C14 input and 8x IEC 320 C13 outlets. This UPS offers cloud-based remote power monitoring, UPS firmware upgrades, remote diagnostics and proactive email notifications with recommended actions. The Smart-UPS C has an intuitive graphic LCD interface. The UPS can connect to EcoStruxure IT or third-party centralized management platforms. This line interactive UPS operates in green mode for high operating efficiency. The SMC has a 2-year warranty, and comes with a built-in lead-acid battery. This UPS provides surge protection against lightning strikes, power sags, brownouts and surges. This is compatible with a dedicated user-replaceable battery, and the APC replacement battery cartridge helps restore UPS performance to the original specifications. Designed for small offices or small business owners to maintain a core network and business communication.
