Model: 35328

Manufacturer: LINDY

EAN: 4002888353281

Product Code: 1479025

## R804

The Cromo Line Lindy 3.5mm Extension Audio Cable is a high quality, flexible cable, ideal for use with hi-fi and audio equipment. It provides premium quality cable construction at an affordable price and features 24K gold plated contacts for optimum conductive ability and resistance to tarnishing and corrosion.

The Lindy 3.5mm Audio Cable features a unique ultra-slim design for use with recessed audio ports, for example when using a mobile phone with a protective case attached.

PVC and Halogen free design: These cables are made using Thermoplastic Elastomers (TPE) for the jacket and nylon insulation for the inner conductors. They are completely PVC and halogen free in line with EU directives which aim to limit the use of PVC and the toxic additives contained in typical cable designs.
