Zyxel XS3800-28 Managed L2+ 10G Ethernet (100/1000/10000) Black

Model: XS3800-28-ZZ0101F

Manufacturer: ZYXEL

EAN: 4718937600960

Product Code: 1479130

R75,740

Flexible port design

XS3800-28 offers a maximum of 24 10G fiber ports or 12 10G copper ports that are for most flexible adoption to your networks.

Essentials of a core switch

XS3800-28 is suitable for network aggregation such as SMB or campus networks that require low latency and high-density 10G backbone architectures with basic routing capability.

Restore Button

The "Restore" button saves the last workable configuration as the custom default, which allows you to fall back instantly in case of network misconfigurations.

Dual Power

Two PSUs support active-standby power redundancy that triggers backup power supply if the main unit fails.

Designed for the long haul

Quality hardware design is how Zyxel differentiate ourselves from others. We ensure stability and longevity for XS3800-28 for your networks.
