Ricoh P C600 Colour 1200 x 1200 DPI A4

Model: 408302

Manufacturer: RICOH

EAN: 4961311931710

Product Code: 1479278

R38,806

Get messages out quickly

Sometimes, the smartest decision is the fastest one. Choose the RICOH P C600 Color Laser Printer to share information at output speeds up to 42 ppm. It offers many robust capabilities to make a big impact in smaller spaces. Many jobs from multiple users can be completed quickly via the powerful 2 GB RAM processor. With fast warm-up and first-print speeds, the device can begin producing output in only 22 seconds.

Beat the drum of affordability

Increase productivity and profitability by reducing maintenance and delays. The P C600 includes a long-lasting, high-yield drum to significantly minimize your total cost of ownership. Add multiple paper trays to expand capacity to 2,100 sheets for longer, uninterrupted print runs. Replace toner cartridges in a few simple steps.

The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Show your true colors

Let's be clear — audiences find high-quality images more compelling. Make presentations, images, postcards, brochures and more memorable by sharing them with up to 1200 x 1200 dpi resolution. Create true reproductions in a vast array of rich colors and sharp text to convey your messages with clarity.

Print freely with mobile printing

Fast, mobile printing is now in the palm of your hand. Use Google Cloud Print, Mopria® printing or Apple AirPrint® to accept and produce jobs from smartphones, tablets and laptops. With RICOH Smart Device Connector app, you can connect to the printer without drivers, utilities or software by simply tapping the embedded Near Field Communication (NFC) tag with your Android® mobile device.

Gain confidence with advanced security

You crafted the right message — use the P C600 to ensure it reaches the right audience. With user authentication, only authorized users have access to print controls. Use the Locked Print feature and require a passcode before print jobs are released. Add encryption protection via an optional 320 GB Hard Disk Drive and DataOverwriteSecurity System (DOSS) to help protect sensitive information.

Vary your message

Use the P C600 to produce a wide range of documents including labels, statements, menus and more in hospitals, offices, schools and other locations. Choose paper stocks up to 80 lb. cover (220 gsm) from the standard and bypass trays or from up to three optional paper sources to keep work flowing. A wide range of paper sizes can be selected, including 8.5" x 14" legal-size documents.

Simplify print management

Choose from multiple software solutions to expedite everyday print management tasks and capture data in real time. With RICOH Streamline NX, you can remotely refresh your entire fleet with new settings and configurations. Use RICOH Device Manager NX Lite or RICOH @Remote Office NX to

monitor critical device data, including usage logs, metering and more, from a centralized location.

Ease into fast, convenient printing

Print and share information quickly with the user-friendly interface on the tiltable LCD control panel. Intuitive controls allow you to navigate and transition between tasks with ease. You can also check network and supply status with just a glance.

Energize your bottom line

The compact printer can be placed almost anywhere without compromising space or energy. It offers a budget-friendly Typical Electricity Consumption value of 0.594 kWh/week, helping it achieve ENERGY STAR® certification. It also meets EPEAT® Silver* criteria. Reduce costs even more with default duplex printing.
