R2,614

Connect and charge USB Type-C devices, including iPhone 15 and up, with this USB-C to USB-A Cable

This USB to USB C cable multipack lets you charge and sync your USB Type-C devices over long distances using the USB-A port on your computer or the standard USB-A wall charger.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Charge and Sync Your Mobile Devices

Maintain all your devices fully charged with these USB Type C cables. Featuring 2-meters in length, the charge cables provide extra reach needed to overcome distance restrictions and stay connected.

Superior Connection With USB-IF Certified Cables

The USB Type A to Type C cables have undergone rigorous compliance testing and are certified by USB-IF to meet all USB 2.0 specifications. This includes all environmental, electrical and mechanical standards, ensuring a reliable, high-quality cable for all your USB-C devices.

10 Pack Business Solution

The USB C to A cable bulk pack provides a convenient solution for businesses in need of multiple USB cables. Providing high quality and reliable connection for all business needs.

Comprehensive Product Testing & Expert Technical Support

StarTech.com conducts thorough compatibility and performance testing on all our products to ensure we are meeting or exceeding industry standards and providing high-quality products to our customers. Our local StarTech.com Technical Advisors have a broad product expertise and work directly with StarTech.com Engineers to provide support for our customers both pre and post-sales.
