At either 12,000 rpm or 17,000 rpm, the ESGE-Zauberstab® M 200 BBQ chops, minces, purees or whisks the ingredients for marinades, dips and dressings. This is ensured by its robust, long-lasting AC motor "Made in Switzerland" and the safety twin switch. The extensive accessories include not only a multi-blade, beating disc and meat knife, but also a cup set and the exclusive recipe booklet. There is also the practical processor. It chops or grinds spices or nuts - and if smaller quantities are required, its powder disc comes into use.
