Product Code: 1480535

R1,069

Product information "Cable box, 320x140x130 mm, white with bamboo cover" from LogiLink

Have you ever hidden your cables so elegantly? Let any tangle disappear in the practical bamboo box from LogiLink. In no time at all, your home and office will look much tidier and the socket strips will no longer collect dust. With openings on four sides, which ensure good heat dissipation and can easily accommodate several cables, the LogiLink cable boxes are not just a pretty accessory for your home.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
