InLine B-17550 HDMI cable 0.5 m HDMI Type A (Standard) Black

Model: B-17550

Manufacturer: INLINE

EAN: 4043718331970

Product Code: 1482218

R4,354

You will receive 110 pieces of item B-17550 packed in a plastic bag to protect against moisture and an outer box.

The InLine® HDMI cable is used to transmit video and audio content between a variety of multimedia devices. HDMI High Speed with Ethernet adds high-speed networking to an HDMI connection, allowing users to take full advantage of their IP devices without the need for separate network cables, provided the devices support HDMI with Ethernet. Thanks to gold-plated HDMI contacts and twisted pair construction, you experience reliable signal transmission and optimal shielding. Thanks to the HDMI 2.0 standard and an impressive transmission rate of up to 18 Gb/s, this 30 AWG cable is ideal for 4K60Hz content (from 7.5m 4k30Hz/ 10.2 Gb/s). With support for 4K video and backwards compatibility with all previous HDMI cables, it is perfect for TVs, PCs/notebooks, games consoles, Blu-ray/DVD players, cameras and projectors.

High-speed HDMI cable with Ethernet (network)

InLine Bulk ecoPacks are environmentally friendly bulk packaging in which the items are only packed in a PE bag to protect against moisture and in a uniform box. The packaging unit varies depending on the item size for optimal utilization. InLine Bulk ecoPacks are particularly suitable for direct use, e.g. B. for your own use or for installation at the customer's site. You get the proven InLine quality with minimal packaging. This saves time and money and protects the environment.

More economical: quick unpacking saves you time

Ideal for use by customers

More environmentally friendly: Less packaging - less waste

The cables are packed together in a PE bag to protect against moisture. Individual slip bags are no longer needed.

More economical:

The packaging is based on the optimal utilization of the carton capacity. Resources are optimally used and utilized.

Cheaper: price advantage through bulk purchase

5% below the individual/normal price
