Full-screen coverage: the display protector with black, ultra-wide frame merges with the edge the smart watch and offers complete protection for the front - from the display to the edges and beyond

Resource-sparing production

Resource-sparing production from recycled PET material: the display protector and backing film are made 100% from environmentally friendly rPET - which uses up to 50% less energy in production and generates only 33% CO2 emissions compared to conventional new PET products

Sustainable Eco mounting frame

Recycled plastic: the EcoFrame mounting frame is made from 100% GRS-certified, recycled ABS plastic

Ultra-clear material in HD quality

A clear view: highly transparent ultra-clear material in HD quality for a perfect, undistorted view of the display

Quick and easy to attach

Three simple steps to display protection: Clean the display, place the display on the EcoFrame mounting tool, pop the display protection film on - and you're done

Discreet display protection

Unobtrusive: the transparent, form-fitting display protection guarantees secure protection

Anti-fingerprint

"Perfect touch" surface with anti-fingerprint coating

Suitable for every case

Case-friendly: the special design means it fits all cases

Electrostatic adhesion
