Introducing the Motorola CD5011

The Motorola CD5011 is built to make communication easy and accessible to everyone, delivering a multitude of helpful features in an attractive and stylish design. Featuring a large, easy to use keypad with illuminated graphics, the display is large and bright to ensure easy reading. Ergonomically designed, the handset has a tactile keypad and a rubber rear cover to provide comfort and secure grip. The Motorola CD5011 supports high performance audio options; with Hearing Aid Compatibility, amplification delivered using a dedicated key, and a ringer volume boost option so everyone can enjoy clear conversations. With up to 30 minutes digital recording time, double 7 segment message counter and night mode option, the Motorola CD5011 is the ideal choice for everyone!
