Product Highlights

The GEX 18V-150-3 Professional random orbit sander’s outstanding balance and gripping area close to the workpiece offers optimal control in all working positions. Its excellent ergonomics make it easy to use with one or two hands for less-fatigue sanding over a longer period. This sander is extremely efficient with high removal rates thanks to its brushless motor and 3 mm orbit. Plus, there’s significantly less dust with the pad’s integrated Venturi Air Channels and the innovative dust box with integrated Click&Clean interface. Thanks to the HMI, operation is very simple and intuitive.
