Camera protection through raised, reinforced edges

Extra strong additional protection: the raised edges made of noble metal in the mobile phone case back provide reliable protection for the protruding camera lenses without affecting the quality of the photos

Edge protection for the display

Additional protection for the mobile phone display: The mobile phone case has a raised edge all around - so the touchscreen is better protected

Protected side buttons

A clean sweep: the mobile phone cover also covers the side buttons - this protects against dust and the metal buttons allow a perfect pressure point

Custom-fit

Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket

Hidden magnetic fastener

Only opens when it's supposed to: practical case for mobile phone with hidden magnetic fastener

Imitation leather with anti-fingerprint effect

Fingerprint-resistant surface: the high-quality faux leather of the mobile phone flip cover avoids ugly streaks from fingerprints - and instead simply always looks fresh and clean

Card compartment with Easy-Slide

Mobile phone case with wallet function: thanks to the slide-out opening on the card compartment in the mobile phone case, ID cards, banknotes, etc. can be removed quickly and easily - always at hand
