R3,339

Wirelessly charge your main devices with one space-saving stand. The snap+ 3-in-1 wireless charge stand is Qi2-certified, so it can deliver up to 15W of power to your phone. The adjustable magnetic charging pad holds it in perfect alignment for a sure charge. The watch charger delivers up to 7.5W of fast-charging power to your Apple Watch. Even your AirPods have a designated charging spot on the stand.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
