With an Ultra-Wide Fit, this screen protector covers the front surface of your phone, while making room for a case. For full protection, pair the screen protector with PanzerGlass® PicturePerfect or Hoops® camera lens protector, and a case from CARE by PanzerGlass®.

We’ve included step-by-step installation instructions as well as a QR code for quick access to our online how-to video. And remember: Once the screen protector is installed, you’ll never again fear the sight of your phone tumbling to the ground screen first. This may not happen, but then again… it might!
