The deliciously innovative Duo Prep Chopper/Grinder from Kenwood opens up a world of flavour in your kitchen, with a grinding functionality that elevates it's performance way above a regular chopper. Add fresh flavour to your everyday meals fast and with less waste.

POWERFUL, PRECISE GRINDING

Grind spices, nuts and coffee beans in seconds with this precision, high-speed metal grinder. Marinades, rubs, spice mixes and more can be blitzed to perfection before you know it.

CHOPPING MADE EASY

Onions, garlic, herbs and even meat are no match for this powerful Quadblade chopper. Four serated Eversharp blades last up to 3X longer than standard blades, tackling all manner of ingredients, fast.

POUR AS YOU GO

Control the flow without pausing your mix with the Dripper Pro lid. Add oils and other liquids with ease for the creamiest sauces, mayos and dips.

ALL-IN-ONE STORAGE

All parts stack neatly together, great for easy storage and ready to go when you are.

TWO SPEED SETTINGS

Control your results with both a continuous speed button and a pulse function. Whether you are chopping coarse or fine, grinding to a powder, or keeping some texture, the dual speed buttons and 800W motor keep you in control.

DISHWASHER SAFE PARTS

Cleaning up is made easy as all parts are dishwasher safe, leaving you to enjoy your meal creation!
