Built for Speed

The USB 3.2 Gen 2 Type-C® connection delivers transfer rates of up to 10 Gbps. Move large files, back up data, or work with high-resolution media quickly and efficiently.

Mini M.2 Travel Light

Made to fit a 2230 M.2 NVMe SSD, the enclosure keeps things minimal without losing performance. It's the ideal option when you need reliable storage in a lightweight, travel-friendly format.

Built to Stay Cool

The included thermal pad works with the robust metal housing to dissipate heat during heavy use. This keeps the drive's performance stable, even when transferring large amounts of data.
