R1,495

Designed for gamers who refuse to travel light, this backpack is your durable supply drop. Tough, compact, and expandable up to 25L, it keeps your entire setup locked in and ready to deploy. Water-resistant materials and reinforced travel straps mean it won't quit, no matter how challenging your mission gets.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
