comprehensive connectivity options.

Ready to Go Performance

Boost your productivity with up to a 12th Gen Intel® Core™ i7 processor1, dual-channel 32 GB DDR4 memory1, 1TB of SSD storage1, and an NVIDIA® GeForce® MX5501 GPU with NVIDIA® Optimus™ dynamic power-saving technology.

Positively Productive

Be positively productive at work with Windows 11, featuring new animations, buttons, and toggles. Quickly organize open apps with Snap Layouts and enjoy seamless integration with Outlook and Calendar.

Stay Connected

Stay connected to colleagues with a 720p HD webcam featuring Acer TNR (temporal noise reduction) technology for better video calling in low-light conditions and reducing flare, as well as dual speakers with fuller, higher-quality sound.

Immersive Display

The 1080p FHD display is perfect for web browsing or watching movies with a sharp, detailed view of what’s in front of you. And with Acer BlueLightShield™, give your eyes a break from the negative effects of blue light exposure.
