Model: WL85-515WH16

Manufacturer: NEOMOUNTS

EAN: 8717371449902

Product Code: 1484139

R5,055

The Neomounts WL85-515WH16 rotatable wall mount is compatible with the Samsung Flip and other 65" screens and lets you switch easily between landscape and portrait display with a stepless, effortless 90° rotation. This gives you the freedom to use your screen the way it suits your purpose best, whether its presenting for groups or supporting ways of collaboration in classrooms, meetings rooms and dynamic working spaces

The wall mount is suitable for Samsung Flip 55" up to 75" and other touch screen displays. The WL85-515WH16 wall mount has a profile depth of 7 cm and is suitable for screens that meet VESA hole pattern 300x300 to 600x400 mm. The flexible, lockable cable guide is created in such a way that it supports the possibility of rotating while using without causing cable problems.

The Neomounts WL85-515WH16 wall mount is the ideal solution for a flat, clean and dynamic
