

D-Link 3-in-1 USB-C to HDMI/VGA/DisplayPort Adapter

Model: DUB-V310

Manufacturer: D-LINK

EAN: 790069450457

Product Code: 1487411

R1,289

Three video ports

Connect to a wider range of external TVs or monitors. Ideal for taking with you to environments with different displays such as meeting rooms in offices.

Multi-Stream

Extend any Windows display to a 4K HDMI, a 4K DisplayPort, and a 1080p VGA monitor simultaneously. Or mirror any Mac display to a 1080p HDMI, a 1080p DisplayPort, and a 1080p VGA monitor at once.

Compact and portable

Compact, and lightweight design, with premium housing. Its small size means it easily fits into any laptop bag.

Thunderbolt 3 compliant

Simply connect to an available USB-C or Thunderbolt 3 port to enjoy HDMI, DisplayPort, and VGA video in seconds.

Built for video. Up to 3 videos at once.

Extend your laptop's display to a TV or monitor wherever you are. The hub's built-in Multi-Stream feature lets you extend a Windows display, or mirror a Mac display, by up to three external TVs or monitors simultaneously.

Easy to use everywhere. No setup at all.

The premium housing protects the high-quality chipset inside and makes the hub ready for any situation, whether you're at home, the office, or travelling. Plug and play convenience allows you to use the hub straight away and with any Mac, Windows or Linux computer with a USB-C port. There are no drivers to install, and no complicated software setup.

Extend your screen to a vivid 4K monitor.

Plug into the hub's HDMI port to instantly mirror or extend your display to a second monitor with vibrant 4K resolution. And full backwards compatibility means you can connect to 720p or 1080p monitors too.
