With its compact size and 300 dpi resolution, online sellers depend on the DYMO LabelWriter 5XL to take the guesswork out of label printing. It prints 4”x6” shipping labels directly from online retailers like eBay, Amazon, DHL and many others! Its unique Automatic Label Recognition tells you which labels (by size, type and colour) are in your machine and how many are left, eliminating frustration by ensuring labels never run out without notice. Direct thermal technology removes the need for costly ink or toner, and intelligent DYMO Connect for Desktop software connects your PC or Mac for a range of stylish design possibilities.
