

NETGEAR 8-port Ultra60 PoE++ Multi-Gigabit (2.5G) Ethernet Plus Switch Managed L2/L3 2.5G Ethernet (100/1000/2500) Power over Ethernet (PoE) Grey

Model: MS108EUP-100EUS

Manufacturer: NETGEAR

EAN: 606449156980

Product Code: 1488385

R8,254

Provides 8 ports 1G/2.5G with 4 PoE+ ports and 4 Ultra60 PoE++ ports making it a perfect switch for WiFi 6 AP connectivity, IP surveillance and more.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Multi-Gigabit Ethernet

8 ports provide up to 2.5 Gbps of dedicated, non-blocking bandwidth each.

PoE Support

4 Ultra60 PoE++ and 4 PoE+ ports provide a total of 230W of power so you can power and connect your devices with a single wire.

Advanced PoE Controls

Manage PoE prioritization, scheduling, power limit per port, and more for simple control over all PoE-powered devices.

Non-Blocking Switching

40Gbps (10/100/1000 Mbps) line rate fabric ensures congestion-free connectivity to your devices.

Fanless Design

Silent operation makes this switch perfect for noise-sensitive environments.

Versatile Mounting Options

Install your switch on your desktop, or mount it to your wall or rack with the hardware provided in the box.
