Model: 43341

Manufacturer: LINDY

EAN: 4002888433419

Product Code: 1488636

R1,089

Lindy USB Type C to DisplayPort 8K60 Adapter Cable allows users to easily add external video capabilities to a computer featuring the USB Type C port with additional support for DisplayPort Alternate Mode. This DisplayPort connector of the adapter cable can be directly connected to the DisplayPort display with the 1m cable allowing for additional flexibility when positioning of the DP display - perfect for a simple and adaptable installation.

It supports video resolutions up to 7680x4320@60Hz and 3840x2160@144Hz, making it the ideal tool for 8K game streaming or high resolution 8K video editing. Additional support for High Dynamic Range ensures video content can be seen with enhanced brightness, superior contrasts and a much wider colour gamut for more lifelike colour. These cables are great for creating eye-catching retail displays, innovative working environments or immersive video playback in sports bars and home cinema installations, while support for uncompressed multi-channel audio allows for an impressive three-dimensional surround sound performance to compliment detailed, clear video.
