Hands-free convenience

Make and receive phone calls with the Manhattan Bluetooth® Headset. This helpful, wireless in-ear device comes equipped with an omnidirectional microphone that ensures clear communication. When you are not busy on a call, it lets you stream GPS directions, music and podcasts from your phone just as well. With up to 10 hours of use and up to 170 hours of standby time, you can make reliable calls throughout the day on a single charge.
