Canon i-SENSYS LBP361dw 1200 x 1200 DPI A4 Wi-Fi

Model: 5644C008

Manufacturer: CANON

EAN: 4549292198560

Product Code: 1488989

R17,367

Greater efficiency with high-speed, high-volume printing

Take business efficiency to another level with fast print speeds of 61ppm. Benefit from a light, compact design and robust security to elevate your printing processes.

Boost productivity

Seamlessly input media types and produce large volumes of documents with optional additional paper cassettes which have a maximum capacity of 4,300 sheets. Save time with duplex printing speeds of 50ipm and refocus your energies elsewhere.

Versatile Printing

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

With up to six different optional paper tray and pedestal configurations, the LBP361dw can operate as a standard desktop device, or become a large free standing work station.

Robust security

Ensure your documents and devices are protected from virus or hacking threats with 360-degree security. Features include encrypted secure print, verify system at start up, and network protection.

Connectivity

Connect with Wi-Fi as standard, and pair easily with Wi-Fi direct. Driverless cloud printing is also possible with native support for Universal Print by Microsoft.
