R1,943

KSK-3210ELU

ULTRA-COMPACT KEYBOARD DESIGN

The super-mini format of this keyboard is perfect for anyone with limited desk space or who needs to work in cramped areas, providing a space-saving solution that won't compromise your productivity.

BACKLIT TYPING ENHANCEMENT

The warm white backlighting on this keyboard enhances your typing experience, making it easy to work in dark or poorly lit environments. You'll love the way the keys glow gently under your fingertips, reducing eye strain and improving accuracy.

STREAMLINE YOUR WORK WITH INTEGRATED TOUCHPAD

The integrated touchpad on this keyboard makes it easy to streamline your work and stay productive, even in confined spaces. With two buttons and all the functions of a regular mouse, you won't miss a beat, and you won't need to clutter your workspace with an extra device.

DURABLE MEMBRANE TECHNOLOGY

This keyboard is built to last, thanks to its X-Type membrane technology. With a life expectancy of approximately 5 million strokes per key, you can trust that this keyboard will keep up with all your typing needs. It's highly durable and long-lasting, making it a smart investment for anyone who needs a reliable keyboard.
