Cut, prune, and limb thicker branches with the powerful, 18V, hand-held pruning saw

The cordless EasyChain 18V-15-7 powers through thicker branches fast. Easy to set up with the tool-free SDS assembly system, this saw delivers a high-speed pruning performance of 6.95 m/s while a high-quality Oregon chain cuts through wood up to 13 cm in diameter. The compact-size, well-balanced design, and soft grip handles enable effortless operation of this lightweight tool. Get all your pruning and sawing tasks done in no time with impressive up to 160 cuts per charge*. (*with 2.5Ah battery) The built-in Bosch Syneon Technology provides optimum power and maximum runtime. The tool belongs to the 18V POWER FOR ALL system. One battery can be used in all 18V POWER FOR ALL tools.
